- 2 Once you have unpacked your product, connect the grow tent framework ensuring that the poles are seated properly in the corner connectors. You may need to gently twist the poles back and forth until the connection tabs pop-out and lock into place.

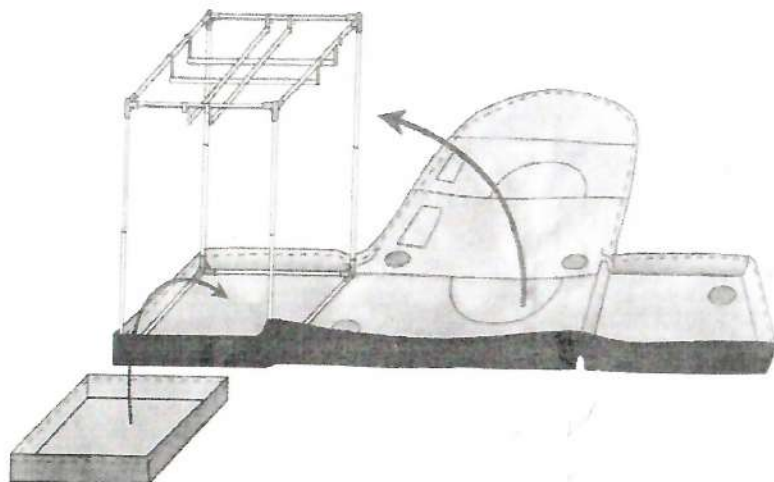

PRODIGY TENTS

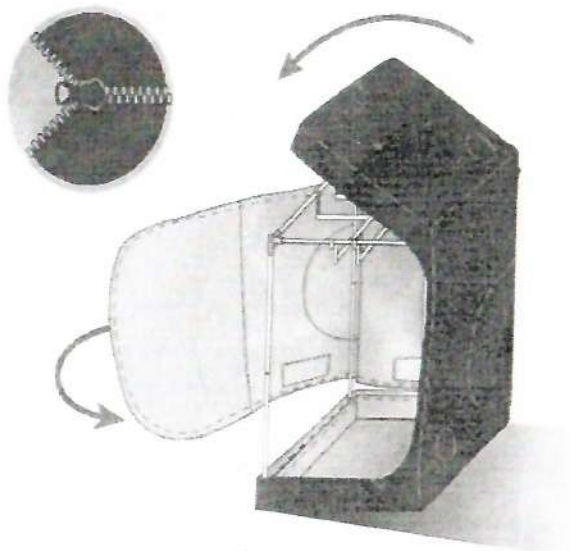

Grow Tent Set Up Instructions

Grow Tent Assembly Instructions

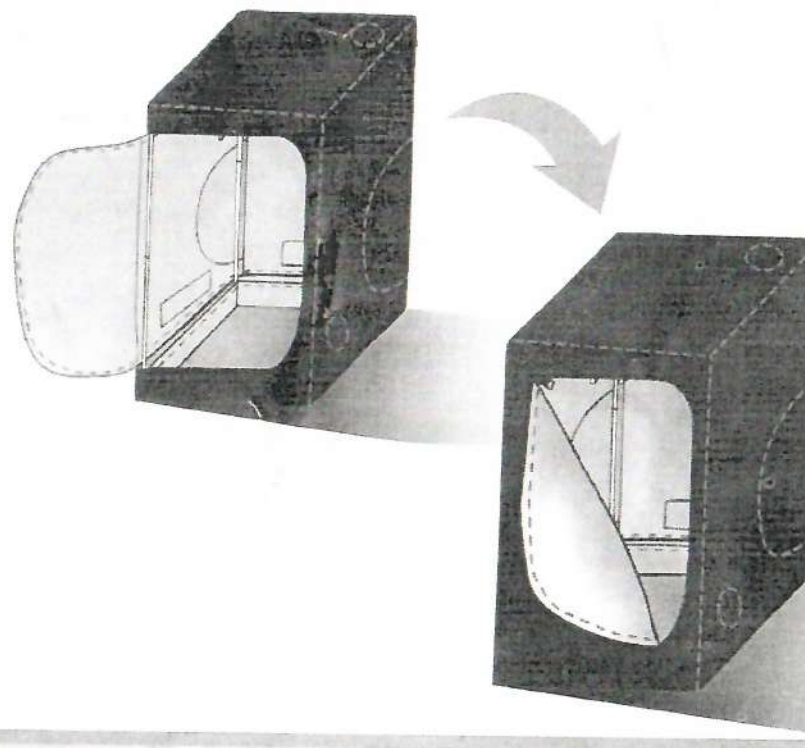

- 3** Once the frame is set up, you should now pull the tent's outer canvas over the constructed framework. We suggest working from the frame up, please see diagram below.

Make sure to pull the outer canvas tightly over the frame making sure there are no creases or areas where the fabric is bunched up.

Grow Tent Assembly Instructions

- 4** You have now set up your grow tent. Now look forward to growing your best yields yet in your new grow tent!

Thank you for choosing Prodigy Tents.
